

# Agreement of Confidentiality, Indemnity, and Non Disclosure

I, \_\_\_\_\_, of \_\_\_\_\_  
(Name of applicant) (Address of applicant)

\_\_\_\_\_ in \_\_\_\_\_  
(Suburb/Town of Applicant) (Postcode/Zip of Applicant) (Country of applicant)

(hereafter referred to as "**the applicant**") on the \_\_\_\_\_ day of \_\_\_\_\_ agree to the following:  
(Day) (Month) (Year)

1.) Upon paying for the **Free Diesel plans**, I, **the applicant** am legally bound to make no attempts to give any information regarding the **Free Diesel plans** and/or the methods of operation and/or any other information that is in any way even remotely associated with the **Free Diesel plans** and/or **Free Diesel plant** to any other person(s), company, group, entity, and/or third party.

2.) I, **the applicant** agree that no copies of the **Free Diesel plans** are to be made for distribution by any means, not limited to, but including: on paper or other writing material, electronically, visually, or verbally. In no way now known or any way that may be developed or devised in the future may the **Free Diesel plans** be reproduced in part(s) or in full.

3.) I, **the applicant** agree to hold no more than one paper and/or electronic copy of the **Free Diesel plans** in my possession at any given time.

4.) I, **the applicant** agree to never attempt to make any money, reward, financial incentive or anything else that may be construed to mean any of these things by selling, reproducing or making available to **others** the **Free Diesel plans**.

5.) I, **the applicant** agree to never attempt to make any money, reward, financial incentive or anything else that may be construed to mean any of these things by selling, reproducing or making available to **others** photos, diagrams, or drawings of the **Free Diesel plant** and/or equipment.

6.) I, **the applicant** agree to never attempt to make any money, reward, financial incentive or anything else that may be construed to mean any of these things by selling, reproducing or making available to **others** instructions for the **Free Diesel plant** and/or the **Free Diesel plans**.

7.) I, **the applicant** agree to never attempt to make any money, reward, financial incentive or anything else that may be construed to mean any of these things by selling, reproducing or making available to **others** copies or replicas of the **Free Diesel plant** and/or equipment.

8.) I, **the applicant** agree to never attempt to make any money, reward, financial incentive or anything else that may be construed to mean any of these things by selling, reproducing or making available to **others** any **Free Diesel**, **Free Diesel** products or **Free Diesel** derivatives

9.) I, **the applicant** agree that in building, manufacturing or attempting to build or manufacture the **Free diesel plant**, I could be causing a danger to myself and/or others.

10.) I, **the applicant** agree that in operating or attempting to operate any parts of the **Free diesel plant**, I could be causing a danger to myself and/or others.

11.) I, **the applicant** understand that certain safety measures will be explained to me in the **Free Diesel plans** and I, **the applicant** also understand that there could be other safety measures that are not mentioned to me as **the applicant**, but I **the applicant** should be aware of or make myself **the applicant** aware of.

12.) I, **the applicant** agree that **Verrall Electrical** in absolutely no way can be held responsible or partially

Signed: \_\_\_\_\_  
(Signature of applicant)

Witness: \_\_\_\_\_  
(Signature of witness)

responsible for any claims made as a direct or indirect result of my actions in building, manufacturing, or attempting to build or manufacture any parts of, or the complete **Free Diesel plant** in the event that it causes or partially causes or has a part either significant or insignificant in causing damage to myself and/or others in any way including but not limited to: financial physical, emotional, mental, or spiritual damage. This is regardless of whether I follow or do not follow any safety measures explained, partially explained or implied or partially implied by **Verrall Electrical** in the **Free Diesel plans** or in any other correspondence.

13.) I, **the applicant** agree that **Verrall Electrical** in absolutely no way can be held responsible or partially responsible for any claims made as a direct or indirect result of my actions in operating, or attempting to operate any parts of, or the complete **Free Diesel plant** in the event that it causes or partially causes or has a part either significantly or insignificantly in causing damage to myself and/or others in any way including but not limited to: financial, physical, emotional, mental, or spiritual damage. This is regardless of whether I follow or do not follow any safety measures explained, partially explained or implied or partially implied by **Verrall Electrical** in the **Free Diesel plans** or in any other correspondence.

14.) I, **the applicant** am willing to personally take full and total responsibility for any claims made as a direct or indirect result of my actions in building, manufacturing, or attempting to build or manufacture any parts of, or the complete **Free Diesel plant** in the event that it causes or partially causes or has a part either significant or insignificant in causing damage to myself and/or others in any way including but not limited to: financial, physical, emotional, mental, or spiritual damage.

15.) I, **the applicant** am willing to personally take full and total responsibility for any claims made as a direct or indirect result of my actions in operating, or attempting to operate any parts of, or the complete **Free Diesel plant** in the event that it causes or partially causes or has a part either significantly or insignificantly in causing damage to myself and/or others in any way including but not limited to: financial, physical, emotional, mental, or spiritual damage.

16.) I, **the applicant** understand it is totally my responsibility and no responsibility whatsoever of **Verrall Electrical** to ensure that the **Free Diesel plant** meets environmental, National and Local Governmental standards, conditions, laws, rules, and/or By-Laws.

17.) I, **the applicant** understand that whilst **Verrall Electrical** will endeavor to assist **the applicant** with any queries **the applicant** may have with regards to the **Free Diesel plans** and/or **Free Diesel plant**, it is not possible for **Verrall Electrical** to answer all the questions **the applicant** may have. This is due to different states and/or counties in different countries having different environmental, National and Local Governmental standards, conditions, laws, rules, and/or By-Laws regarding excise, pollution, and other matters not implied or mentioned here within.

18.) I, **the applicant** agree that **Verrall Electrical** in absolutely no way can be held responsible or partially responsible for any claims made as a direct or indirect result of my actions in using any product(s) such as but not limited to: **Free Diesel**, **Free Diesel** derivatives, that originate from the **Free Diesel plant** or **Free Diesel plans**. These claims are not limited to but may or may not include damage to any engines, vehicles, or any other article that the **Free Diesel** or **Free Diesel** derivatives may come into contact with.

## **Terminology of the Agreement of Confidentiality, Indemnity, and Non Disclosure**

**The Applicant:** The person(s), company, group, entity, and/or third party whose details are on the top of this form. This must also be the person(s), company, group, entity, and/or third party who signs the agreement at the bottom of this form.

**Others:** Any person(s), company, group, entity, and/or third party who is not **the applicant**.

**Free Diesel:** Any product(s) that comes from part of the process or comes from the complete process of

(Signature of applicant)

Witness: \_\_\_\_\_  
(Signature of witness)

manufacturing and/or operating the **Free Diesel plant**. This is not limited to but may include anything from the Petroleum Hydrocarbon Chemical Family or what is commonly known as Diesel, Petrol, and suchlike.

**Free Diesel plans:** The material in either a paper or electronic form that **the applicant** will receive from **Verrall Electrical** after paying the fee of AU\$150.00. This includes but is not limited to drawings, instructions, and photos of how to build and operate the **Free Diesel plant**. This also includes further updates **the applicant** may receive later in time from **Verrall Electrical**.

**Free Diesel plant:** The materials that separately or when combined make up the product **the applicant** builds or manufactures in accordance with the **Free Diesel plans**. This is the device that enables **the applicant** to make **FREE DIESEL**.

**Verrall Electrical:** The business as a whole registered as **Verrall Electrical** or as separate individuals made up of two persons namely Michael Arthur Verrall and Michelle Louise Verrall. This is a legal partnership registered in Australia with the Australian Business Number 93 332 821 391 at the registered address of 2 Wyatt Street, Mount Gambier 5290, South Australia.
